Product Specification Sheet

Targus CityGear 320 Disc CD/DVD Album

Part #: TDP026US

Product Description:

The Targus CityGear 320 Disc CD/DVD Album is designed with CD/DVD pockets to accommodate the increasing demand for media storage. The CityGear line of media cases incorporates the same stylish design and high-quality material featured on the successful CityGear line of Targus notebook cases. These cases are fabricated of durable, dual textured nylon with grey contrast stitching. A robust nylon zipper provides added security for valuable contents and the durable metal zipper pulls help prevent breakage. Both compact and functional, the CityGear CD/DVD media case provides the ideal way to protect your media from scratches either at home or on the go.
